A Special Coat and Dress Sale

Values Picked Up While in New York the Past Week

In this lot of garments are Coats and Dresses at prices, in many instances, that would not pay for the materials alone if bought at to-day's market price. We are more than pleased to be able to give the trade the benefit of our buy, and when you see the values we have in this sale you will surely realize the wisdom of your buying at once. While the prices we are putting on these garments are low, the quality of

Ladies' Warm Coats

In this special Coat Sale are Coats at a price that will interest those who want a Coat at from \$12.00 to \$18.00. These are Coats that were made to sell at from \$16.50 to \$22.50. We closed out the lot at prices that will allow us to give you some extra price values.

a quality that will more than please.

At \$12.50 is a lot of odd Coats in styles and qualities that are as good as we ever sold at the price. These Coats were made to sell for much more money, but it has been almost impossible to get a good material to sell at these prices.

We will not sell shoddy goods. When we sell you a Coat, it must have value and give good service for the money paid.

These Coats we picked from different stocks where we could get value, and are putting these exceptional prices on them because we are bound to give you a good trade for \$12.50 and \$15.00. See these new Coat values.

Ladies Wool and Silk Dresses

In this sale of Dresses are about 20 Silk models that are all different. These are Dresses that we have had in stock since the season opened. There is only one of a design. The style and quality are all right, and so is the price.

These are Dresses that sold at from \$12.00 to \$20.00 each. We are putting them in this sale at one-third off from the original price. This is a good saving to you and helps us to reduce stock.

We also have in this Dress Sale a lot of sample Dress models in Silks and Wools. These are Dresses we were able to close out at a price, and we are giving you the benefit of our buy. See this line of Dresses if you need a Dress for the season's wear.

This weather is the kind that calls for Furs of all kinds. Our line is now complete. The large Scarf is very popular, and while your Coat has the large collar you will want a good Muff of some popular Fur. We can show you an exceptionally large line of Muffs in all the popular Furs at prices from \$2.98 to \$35.00 each. See this line while the assortment is good.
